Daniel Aldridge
Headteacher
The quality of Learning and Teaching is fundamental to the future success of our students and central to our work. Students who are well taught are motivated, enthusiastic and aspire to achieve their potential. Our inclusive and innovative curriculum is designed to facilitate opportunities for personal development and success.
Nurturing Spirit

Strong pastoral care is vital to the enjoyment of school and for our young people to feel secure every day. We provide a complete structure of support for students at every level of ability and we ensure that we meet their needs as individuals to enable them to grow and develop intellectually, spiritually, emotionally and socially.
All are Learners

Everyone in our School community is a learner and together we aim to create an environment which enables students to succeed. The different talents of all our students and staff are valued and developed, preparing them for the successes, challenges and opportunities they may face.
Respecting Difference

We have high expectations of all students in every aspect of their school life. They are encouraged to be resilient, independent learners who focus on their own learning but also make a contribution to the welfare of others. Our School provides an environment where students are encouraged to play a positive role in our community, understanding the impact that their actions have on their own and others learning and development.
Proud to be a Church School

Christian values and spirituality are at the heart of all aspects of school life and our School’s Christian ethos reflects wisdom and reverence - where faith, love, hope and truth flourish. Our School is a place where children are able to establish and deepen their understanding of God through prayer and reflection in daily acts of collective worship and Religious Education.

The Catchment

The catchment area is defined as the Borough of Spelthorne, the London Borough of Richmond (north of the Thames) and the Feltham, Hanworth and Bedfont parishes in the London Borough of Hounslow. To determine whether you live within the catchment area please visit the School website or contact the School.

Admissions Process

In determining admission to the School the Governing Body will use the following process:

• In the first instance criterion 2 and criterion 4 to 6 will be applied to all applicants living in the catchment area as defined above. Siblings as determined by criterion 3 will be considered regardless of where they live. Applicants applying under criterion 2, 4 or 5 will need to complete a Supplementary Information and Priest/Minister/Faith Leader Reference Form and submit to the School as part of the application process.

• Once all applicants living in the catchment area and siblings as determined by criterion 3 have been considered, criterion 7 to 10 will be applied to those living outside the catchment area as defined above. Applicants applying under criterion 7, 8 or 9 will need to complete a Supplementary Information and Priest/Minister/Faith Leader Reference Form and submit to the School as part of the application process.

• If there are fewer places than applicants in criteria 2 to 10 those living nearest to the School will be given priority. The distance is measured in a straight line from the address point of the pupil’s house, as set by Ordnance Survey, to the School. This is calculated using the Admission and Transport Team’s Geographical Information System. Where two or more applicants share priority for a place, eg where two applicants live equidistant from the School, Governors will draw lots to determine which applicant should be given priority.

Twins, Triplets or Children from other Multiple Births

If a final place at school is going to be offered to a child who is one of twins, triplets or multiple births, Governors will draw lots to determine which child should be given priority. If twins, triplets and so on are at the top of the waiting list and only one place is available, the other sibling(s) will remain at the top of the waiting list until they can be offered a place, even if another child moves into the area with a higher priority in Criterion 2 to 6. Please note that in all circumstances applications in respect of Looked after Children and Previously Looked after Children will take absolute priority.

Waiting List

A waiting list of unsuccessful applicants will be compiled and ranked according to the published criteria. This waiting list will be dissolved on 31st July following the September entry to which this list applies.
Late Applications

For secondary school transfer from primary school into Year 7, applications received after the published closing date will be considered in accordance with the home Local Authority’s co-ordinated admission scheme.

In-Year Admissions

Applications for In-Year admissions will be made directly to the School. If a place is available and there is no waiting list then the School will communicate the governors’ offer of a place to the family. If more applications are received than there are places available then applications will be ranked by the governing body in accordance with the oversubscription criteria. If a place cannot be offered at this time then you may ask us for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the governing body in the order of the oversubscription criteria and not in the order in which the applications are received. Names are removed from the list at the end of each academic year. When a place becomes available the governing body will decide who is at the top of the list and inform the parent/carer if the school is in a position to make an offer.

Admission into Sixth Form

There will be 200 places available for allocation across Years 12 and 13 and priority will be given to those applicants already attending The Bishop Wand Church of England School provided that they have the necessary academic standard relative to the courses applied for, as stipulated in the Sixth Form Prospectus.

However, of the 200 places available 15 places will be available for external candidates in Years 12 and 15 in 13 and applicants who are not already at the School will be allocated places provided that they have the necessary academic standard relative to the course applied for, as stipulated in the Sixth Form Prospectus and according to the same criteria as those applying for places in Year 7.
